U.S. MARINE CORPS FORCES EUROPE & AFRICA
UNIT, PERSONAL & FAMILY READINESS PROGRAM

Hello Marines, Sailors, and Families,

Greetings from Stuttgart! Congratulations on your orders to Germany and welcome to MARFOREUR/AF. My name is Jenny Wallace and I am the Deployment Readiness Coordinator for Marines and Marine families stationed in Europe & Africa.

Even if you are working at AFRICOM, EUCOM, or any of the other Commands here in Stuttgart, I am here to support you and your family by providing information and referral services for Garrison, local community, and Marine Corps resources. I will keep you informed about community and Marine events through weekly emails and regular Family Readiness Meetings.

My goals are to help make your transition to Germany as smooth as possible, disseminate official command information that is pertinent to Stuttgart area Marines and Sailors, and to integrate you into the Family Readiness Program. Please make sure that I have good contact information for you and your family so that you may be added to our e-mail distribution list.
