

U.S. MARINE CORPS FORCES EUROPE & AFRICA
UNIT, PERSONAL & FAMILY READINESS PROGRAM

Hello Marines, Sailors, and Families,

Greetings from Stuttgart! Congratulations on your orders to Germany and welcome to MARFOREUR/AF. My name is Anne Hickey, and I am the Deployment Readiness Coordinator for Marines and Marine families stationed in Europe & Africa.

I am here to support you and your family by providing information and referral services for Garrison, local community, and Marine Corps resources. I will keep you informed about community and Marine events through weekly emails and regular Family Readiness Meetings.

My goals are to help make your transition to Germany as smooth as possible, disseminate official command information that is pertinent to Stuttgart area Marines and Sailors, and to integrate you into the Unit Family Readiness Program.

Some helpful resources to explore before arriving are:

<http://www.stuttgart.army.mil/>
<http://www.stuttgartcitizen.com/>
<https://stuttgart.armymwr.com/>

We also have a private Facebook page that you and your spouse may request to join, Stuttgart Marines Family Readiness.

PSCing during a pandemic can make things "interesting". Please reach out with your questions and requests for assistance. I may be contacted by any of the means listed below. I look forward to meeting you.

Very Respectfully,
